

Best books for teaching kids to read

The Children Learning Reading program shows you how to easily teach your child to read using a unique combination of synthetic phonics and phonemic awareness skills development; Our proven program will work for children of all ages that do not know how to read yet; Children Learning Reading TM will work to help improve the reading skills of children who are starting to read; Our program will also help children who are having difficulties at learning to read. It is a fantastic system for helping children learn to read that has been used by countless parents just like you. Presented in 50 step-by-step, easy to follow, and easy to understand lessons along with stories, rhymes, and colorful illustrations to make you and your child's learning to read process a fun, engaging, and rewarding experience. Comes with private email counseling from us for 12 weeks. Plus, you get 6 additional Super Bonuses worth at least \$349.65 (see Super Bonuses below)!
